UGC developed **Curriculum & Credit Framework for UG Programmes (CCFUP)** based on NEP notified by government of India (29th July 2020). Department of Higher Education, Govt. of West Bengal had issued directives for implementation of CCFUP on 17 March, 2023 to all State Universities from the forthcoming session. Vidyasagar University has designed new Curriculum and Credit Framework for Undergraduate Programmes in Semester mode for various disciplines and recommended for its implementation from the Academic Session 2023-2024. CCFUP is based on continuous learning and evaluation, and allows students to experience Inter/Multidisciplinary and Value Added courses through a 3-Year or 4-Year Undergraduate programmes with flexible degree having multiple entry and exit options. Under this framework, a student will get ample opportunities to accumulate credits by opting for Major Courses, Minor Courses, Multidisciplinary Courses, Ability Enhancement Courses, Skill Enhancement Courses and Value Added Courses under various disciplines. Students will choose major, minor, multidisciplinary and other courses at the time of their admission. Our college offers the 4-year undergraduate programmes based on CCFUP structures in the disciplines of Science, Arts and Commerce.
